

Fall Semester 2022 - Requirements for In-Person Rehearsals

Welcome to the fall semester of the Nashua Choral Society's 2022-2023 season.

In order to assure the safety of all our members, the following requirements for in-person participation must be met. Please note that these rules will be revisited prior to each semester for adjustment, as needed, to comply with current guidelines and recommendations.

1. All participants must be fully vaccinated, with last dose received at least 14 days prior to participation. Booster shots are recommended for those who are eligible to receive them.
2. Masks are optional. (Note that this may change if city/federal guidelines change).
3. Members may not attend in person and should stay home and participate remotely if you are experiencing any of the following symptoms: *(please review the posted recordings of missed rehearsals)*
 - Fever
 - Cough, sore throat, headache, fatigue (not due to allergies)
 - Shortness of breath
 - Nausea/vomiting/diarrhea
 - New muscle aches or chills
 - Change in sense of taste or smell
 - Rashes/swelling on toes or fingers
4. Please sign below to acknowledge that you are fully vaccinated and that you agree to the above conditions for attending rehearsal.
